Checks made to Tiger Fencing Club for all fencing equipment.

We make sure all equipment is the correct size and parent approval is required for all fencing equipment. If a fencer wants a bigger or smaller size, we can exchange the gear before student fences in it.

When fencers compete in High School competitions and local/regional competitions, they are required to have 2 electric weapons and 2 body cords and a weapon mask for each event they participate in (USA Fencing Rules).

Membership fee is \$75 per month and is collected on the first day of the month. Fencing practice is held once per week (Wednesday after school). You can attend all available fencing days. (There is no deduction for missed classes.) If fencers miss a class, they can make it up at our Tiger Fencing Club (www.tigerfencingclub.com).
